

YOU HAVE THE POWER TO SAVE A LIFE

For thousands of patients battling a life-threatening blood cancer or blood disease, a cure exists.

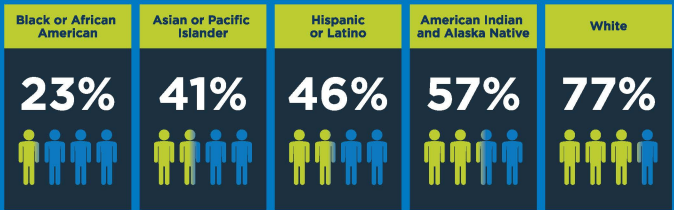

Text Nebraska to 61474 to join the registry.

Healthy individuals ages 18-44 who are willing to donate blood stem cells to a patient in need are encouraged to join the Be The Match Registry®.

Patients need a genetically matched blood stem cell donor to save their life.

CHANCE OF FINDING A MATCH

HELP US ACHIEVE EQUAL OUTCOMES FOR ALL.

Kianna (right) donated blood stem cells to **Corrine**
