

Healthy Lifestyle Questionnaire

Please fill out this form. Filling out this form will help Every Woman Matters (EWM) and the Nebraska Colon Cancer Screening Program (NCP) determine what services are best for you.

Even if you are not able to get services, you can still get health education.

WHAT YOU NEED TO KNOW:

- You must **NOT** have health insurance that would pay for preventive services.
- Please answer **ALL** questions. If you don't we will call you or send the form back to you and this could delay important health screenings.
- Please **PRINT** clearly. Use a black or blue ink pen. Do not use pencil.
- This is **NOT** your screening card. Please do not make an appointment with your health care provider until you get a Screening Card.
- After you send this to EWM/NCP, it will be reviewed to see what screenings you are eligible for. This usually takes up to 2 weeks.
- Once the program determines what screenings you are eligible for, a Screening Card and this HLQ, will be returned in the mail so that you can take them to your appointment to give to your healthcare provider.

WHAT YOUR PROVIDER NEEDS TO KNOW:

- Screenings were determined based upon the HLQ submitted to EWM/NCP.
- This HLQ was mailed back to the client with a Screening Card. Client was instructed to bring the form so you can discuss benefits of healthy lifestyle behaviors.
- Clinics may keep the HLQ as a part of the client chart, if so desired.

Thank you for taking time for your health!

Informed Consent and Release of Medical Information

- You must **read pages 2 and 3** to be a part of the Every Woman Matters Program and/or the Nebraska Colon Cancer Screening Program.
- You are **NOT** able to enroll until all pages are filled out.

EVERY WOMAN MATTERS (FEMALES)

- I want to be a part of the Every Woman Matters (EWM) Program. I know:
 - I must be between 35-74 years of age to receive services
 - I cannot be over income guidelines
 - If I have insurance, EWM will only pay after my insurance pays
 - I must re-enroll in EWM every year
 - I must be a female (per Federal Guidelines)
 - I will notify EWM if I do not wish to be a part of this program anymore
- I know that if I am 35-74 years of age, I may be eligible for full screening services which may include: breast and cervical cancer screening, screenings for blood pressure, cholesterol, diabetes, and obesity based upon US Preventive Services Task Force and Program Guidelines.
- I have talked with my health care provider about the screening test(s) and understand possible side effects or discomforts.
- I understand that I may be asked to increase my level of physical activity and make changes to my diet as part of the health education offered to me. I understand that before I make these activity and/or diet changes I am encouraged to talk to my health care provider about any related concerns or questions.
- I will talk with my health care provider about how I am going to pay for any tests or services that are not paid by EWM.
- When I receive my Screening Card I will be given an opportunity to make a \$5 donation to the program to help other women receive screening services.

NEBRASKA COLON CANCER SCREENING PROGRAM (MALES and FEMALES)

- I want to be a part of the Nebraska Colon Cancer Screening Program (NCP). I know:
 - I must be between 45-74 years of age to receive services (there are no exceptions)
 - I cannot be over income guidelines
 - If I have insurance, NCP will only pay after my insurance pays
 - I must re-enroll in NCP every year
 - I must have a primary care doctor listed
 - I will notify NCP if I do not wish to be a part of this program anymore
 - I must be a Nebraska resident
- If I am eligible to participate, I understand that NCP will look at my health history and tell me what colon cancer screening test I am eligible for.
- Based upon my health history and what type of test I am eligible for, I know that NCP may provide me with a home based stool kit and/or assist me in scheduling a colonoscopy. If I am enrolled in the program and receive a home based stool kit from the program and have a positive test, it will be followed up with a colonoscopy.
 - If I receive a colonoscopy through NCP I understand that I may be asked to pay 10% of the cost.
 - I understand that my payments will help others with colonoscopy costs through NCP.
- I will talk with my health care provider about the screening test(s) for colon cancer and understand possible side effects or discomforts.
- I will talk with my health care provider about how I am going to pay for any tests or services that are not paid by NCP.
- I understand that NCP does not pay for treatment if I am diagnosed with colon cancer. NCP staff will assist me in finding treatment resources.

I know that if I move without giving my mailing address to EWM/NCP, I may not get reminders about screening and education. I accept responsibility for following through on any advice my health care provider may give me.
- ◆ My health care provider, laboratory, clinic, radiology unit, and/or hospital can give results of my breast and cervical cancer screening, heart disease and diabetes screening, follow up exams, colorectal screening, diagnostic tests and/or treatment to EWM/NCP.
