

Finding Care After Medicaid Changes

Starting October 1, 2026, certain noncitizens may lose their full Medicaid coverage.

To learn more about these changes and what they mean for you, visit

dhhs.ne.gov/NoncitizenEligibility

If you need help finding other healthcare options or community support, explore the resources below.

Programs for People with Special Healthcare Needs

Even if you are affected by the Oct. 1 eligibility changes, other DHHS programs might still be available for you, like:

- Medically Handicapped Children's Program
- Genetically Handicapped Persons Program
- Disabled Persons and Family Support

Find Help - 211

211 can help connect you to resources that support your health and wellbeing.

NEBRASKA

Good Life. Great Mission.

DEPT. OF HEALTH AND HUMAN SERVICES

Parent Resource Coordinators - MMI

Munroe-Meyer Institute (MMI) at UNMC can help families navigate their healthcare, education or the community.

Bring Up Nebraska

Bring Up Nebraska is a statewide network that focuses on community-based prevention efforts.

Behavioral Health Resources

Find Behavioral Health services near you using the Nebraska Network of Care search tool.

This tool can help you find health and social services programs, agencies, and providers in your area.

The Refugee Resettlement Program

Some refugees may be eligible for this assistance for up to 8 months after coming to the United States.
