

NOTICE: EFFECTIVE

October 1, 2024

All contracted EWM provider sites can offer Presumptive Eligibility Enrollment for preventive screening services!

What does this mean for you?

- ✓ Beginning October 1, 2024, if a patient comes in for services and they are eligible for Every Woman Matters (EWM) or the Nebraska Colon Cancer Screening Program (NCP), you, as a clinic, can enroll them that day and provide services the same day. *Currently, if someone is eligible, they fill out the online or hardcopy Healthy Lifestyle Questionnaire, program staff review it, and a Screening Card is mailed to the client within 2-3 weeks.*
 - **BENEFITS of Presumptive Eligibility Enrollment:** Ability to offer same day screening to your patients.
 - **RISKS of Presumptive Eligibility Enrollment:** If a patient is not eligible and the clinic enrolled them and performed services, it will be up to the clinic to pay for those services that were performed.
