## Connect with talent. Build Nebraska's workforce.

**Nebraska employers play an important role in building a strong, skilled workforce.**

The Nebraska Department of Health and Human Services (DHHS), in partnership with the Nebraska Department of Labor, is expanding **SNAP Employment & Training (SNAP E&T)** statewide to help eligible SNAP recipients build skills, gain experience, prepare for employment, and pursue new or better job opportunities.

By getting involved, employers can help create meaningful pathways to employment while connecting with motivated Nebraskans who are working toward their career goals.

### WHO PARTICIPATES?

Eligible SNAP recipients **who voluntarily choose to participate** and are working toward employment, skill development, and career goals.

### WHY SHOULD EMPLOYERS GET INVOLVED?

- Explore opportunities for work experience and on-the-job training

### HOW CAN EMPLOYERS PARTICIPATE?

There are different ways to get involved. Employers can share their workforce needs, connect with potential candidates, and work with SNAP E&T partners to explore work experience, training, and employment opportunities.
