

Summertime Updates from Medicaid

Legislative Updates

American Rescue Plan Funds

Federal funds have been allocated for assisted living facilities, nursing facilities, and developmental disabilities rates.

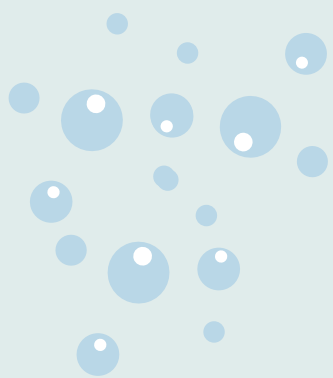

Continuous Glucose Monitors

Medicaid will cover continuous glucose monitors starting in 2023.

Changes to in-home services

Legislature eliminated the requirement that a registered nurse must do the bathing as part of home health services.

Simplified Credentialing

In the new contract, providers will be able to credential with all of our contracted health plans through one shared vendor.

Increased rates for providers

Legislature increased appropriations for providers who cover nursing facilities, behavioral health, and developmental disabilities.

Electronic Visit Verification

In the new contract, home health providers will be able to use the same EVV platform for each health plan.

Changes to Dental

New health plans will cover dental health care. Medicaid will eliminate the dental benefits limit for adults. Starting in July 2022, there will be a 10% increase in dental rates.
