Following are updates to the above-mentioned Request for Applications. It is the Applicant’s responsibility to check the DHHS website for all addenda or amendments.

1. RFA Overview: 1.1. Funding Information is amended to read:

   Subawards from this RFA may contain state and federal funds. Any conditions imposed on the federal funds shall also apply to all state funds. The total anticipated available funds for Subawards under this RFA from the Emergency Solutions Grant (ESG) and Homeless Shelter Assistance Trust Fund is $550,000 (Five Hundred Fifty Thousand 00/100 dollars) for a five-year period from July 1, 2023, to June 30, 2028, $110,000 (One Hundred Ten Thousand 00/100 dollars) annually. A total award of this amount of funds is not guaranteed, but is subject to the Applications received, to actual money awarded to DHHS from the Federal Awarding Agency, and to DHHS’ discretion. DHHS may establish a cap on total amount of funds that any one Applicant, or Applicants acting jointly, may request. Any cap shall be set forth in the Applications Instructions, Section 4.4, below. The total funds may be split among multiple Subrecipients in the discretion of DHHS.

   The funding for this RFA comes from the Homeless Shelter Assistance Trust Fund (HSATF) and the U.S. Department of Housing and Urban Development (HUD) Emergency Solutions Grant (ESG). The ESG is federal funding received from HUD. The actual amount of ESG funding that will be available for the 2023-2024 NHAP program year is unknown at this time. It is anticipated that $58,300 in ESG funds will be available for the Subaward based on the current program year’s ESG allocation. The remaining funding for Subaward under this RFA will be comprised of state funding through the HSATF. It is anticipated that $51,700 in HSATF funds will be available for the Subaward.

2. RFA Overview: 1.4. Eligible Entities is amended to read:
