## Schedule of Events

The State expects to adhere to the tentative procurement schedule shown below. It should be noted, however, that some dates are approximate and subject to change. It is the Applicant’s responsibility to check the DHHS Grants and Contracts Opportunities website for all addenda or amendments.

</table>

*The Period of Performance start may occur before a Subaward is finalized, agreed to, and executed by the parties. Because this is just the period during which costs are allowable, it does not reflect that any agreement between DHHS and any successful Applicant has gone into effect or is binding in any way. No binding agreement has been made between DHHS and any Applicant until a Subaward is fully executed by both parties.
