

Rural Health Transformation Program (RHTP)

1.3 Farm-to-School Procurement and Policy Technical Assistance (TA)

Informational/Question and Answer Session Announcement

This 45-minute session is designed to provide applicants with a final opportunity to ask questions about the grant program, application process, and eligible costs before applications are due.

We are also excited to share that we have expanded the allowable costs and items eligible for funding through the RHTP 1.3 grant program. These updates may allow your school or organization to utilize the grant funds in ways that were not previously available, making the opportunity more accessible and beneficial to a wider range of applicants.
