Re: Chiropractic Coverage Changes

This provider bulletin is being issued to notify Medicaid providers of changes to Chiropractic services.

Effective January 1, 2020, Nebraska Medicaid has removed the limitations for maximum number of chiropractic visits for adults and children as deemed medically necessary and expanded coverage guidelines consistent within the scope of practice for chiropractors. Chiropractic visits are limited to one per day. X-rays are limited to one per 12-month period.

If you have questions regarding this bulletin, please contact Aaron Reece at (402) 471-9384, or via email at: DHHS.MLTCPhysicalHealth@nebraska.gov. Health plans should also copy their contract manager.
