**SUBJECT:** New Funding Sources for Legal Assistance and Legal Outreach for Service Units Not Covered by Form A

**BY:** Antonio Carranza, JD, Program Coordinator, Legal Assistance Developer *ajc*

**CONTENT:** New funding sources have been created for Legal Assistance and Legal Outreach to track service units that are not covered by a Form A. These are for legal assistance and outreach services that are funded independently by the State Unit on Aging but hosted or facilitated through the Area Agencies on Aging.

The Area Agencies on Aging will submit these service units in PeerPlace with the funding sources "VII SUA" and "III-B SUA". The Service Types will remain the same, the new funding sources will be the only change at this time to track these services units.

If you have questions, please contact Antonio Carranza at 402-314-7339 or [DHHS.aging@nebraska.gov](mailto:DHHS.aging@nebraska.gov).
