This provider bulletin is being issued to notify Medicaid providers of the following updates, effective July 1, 2022.

1. Updated Enhanced Ambulatory Patient Groups (EAPG) fee schedule.
2. Guidance for claims processed under previous rates prior to July 1, 2022.

Additionally, the Managed Care Organizations (MCOs) are actively loading the Fee Schedules effective July 1, 2022. The MCOs will reprocess impacted claims retroactive to discharge dates beginning July 1, 2022.

The updated EAPG base rates apply to MCOs. MCO pricing is targeted to be in production by September 6, 2022, and each MCO will reprocess impacted claims retroactive to discharge dates beginning July 1, 2022, using the updated EAPG base rates.
