Re: 2023 HCBS AD Medicaid Waiver Assisted Living Rates

This provider bulletin is being issued to notify Medicaid providers of upcoming changes to the Medicaid Aged and Disabled (AD) waiver Assisted Living Rates.

Effective January 1, 2023, rural and urban assisted living provider rates will be increased by 2%. Additionally, the room and board rate for individuals receiving services under the Medicaid AD waiver will be \$850.00 per month. This increase is due to the 8.7% Social Security cost of living increase for 2023.

For calendar year 2023, the personal needs allowance will remain at \$64.00 per month. If this allowance is a different amount for a particular resident, that resident will be notified by the Department.
