Re: Nebraska Medicaid Managed Care Contracts 2024

This provider bulletin is being issued to notify Nebraska Medicaid providers that the Nebraska Department of Health and Human Services (DHHS) has signed contracts with managed care organizations (MCOs) for the contract term beginning January 1, 2024 to provide services for our Medicaid managed care program, Heritage Health.

Selected Managed Care Organizations

The Nebraska Department of Health and Human Services (DHHS) has selected three managed care organizations to provide healthcare services for Heritage Health, the Nebraska Medicaid managed care program, for the contract term beginning January 1, 2024. These managed care organizations are Molina Healthcare of Nebraska, Nebraska Total Care, and UnitedHealthcare. Healthy Blue, which currently provides these services, was not selected for the contract term beginning January 1, 2024. Please see this prior press release for more information:

Contracts Signed

Contracts between the Nebraska Department of Health and Human Services, and the three selected health plans, Molina Healthcare of Nebraska, Nebraska Total Care, and United Healthcare, have been signed. All three organizations are now preparing to provide services under the new contract beginning January 1, 2024. Please see the below link for further information on the contracts:
