

2026 Elder Justice Training- August 5, 2026.
5 contact hours (Iowa).

After your program is over, please return the below information to me:

- An attendance roster listing the names of the participants who successfully completed the program and who should be awarded continuing education contact hours.
- The tally of the program evaluations. An evaluation is a required component of a co-sponsored program. IWCC needs only the compiled results; please do not send original evaluations. Please let me know if you need an evaluation template for this program.

IWCC will email certificates of completion to every participant after we have received a final roster from the co-sponsor. Participants should keep alternate documentation of the program for which they are seeking contact hours until they receive the email containing their certificate of completion.

Please share these instructions with your participants:
