

CFS Provider Portal

The CFS Provider Portal will be live on January 8, 2024!

The new Children and Family Services (CFS) Provider Portal will launch on January 8, 2024, and allow the State of Nebraska childcare and non-childcare providers to efficiently bill and be reimbursed for provider claims submitted to the State. This new Portal will replace the existing provider claims system, and offer a simplified process to submit claims, view service authorizations, and explanations of payments.
