

Reimagine Well-Being

Collective Engagement

LB 1173 Workgroup Meeting
Thursday, April 6, 2023

The Why

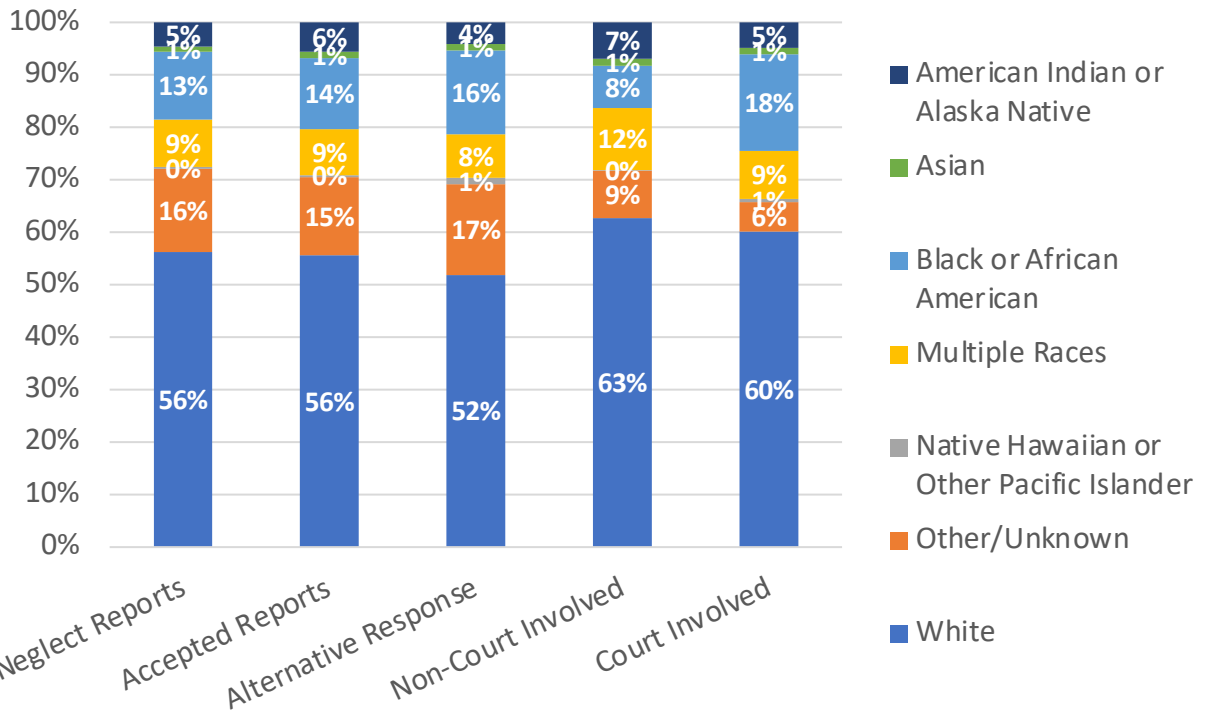

- **We Believe** the lives of children and families can be enhanced by building strong partnerships for child and family well-being transformation that invests resources in effective and innovative ways.
- **Our Mission** Engaging communities to support families so they thrive and children are safe.
- **Our Vision** is to provide safety supports to children families by strengthening community engagement.

Everyone is treated and feels like a full member of the larger community and can thrive
