ABBOTT FORMULA RECALL 2022

ABBOTT FORMULA RECALL

Due to the Abbott formula recall, you may be having a hard time finding the formula you normally get from WIC at the grocery store. Nebraska WIC has received waivers from USDA allowing us to **TEMPORARILY** offer different brands of formula until more formula that is not affected by the recall is available.

The standard Similac formulas provided by WIC are 12 oz cans. If WIC has **TEMPORARILY** changed your benefits on your eWIC card, the new formula may come in a different size. See the number of cans you can buy below.
