	<p>4. Digital Handouts</p>	<p>Handouts or references for new staff training are being provided below for your staff in digital form 😊. If you plan to print all of these resources, be sure to allow time to print and assemble them. Trainee should briefly review the training resources so they know what is included and bring these references to their training sessions!</p> <p>Here are the links: <a href="#">Handouts – CPA’s</a>   <a href="#">Handouts - Clerks</a></p> <p><i>For CPA’s - From the packet above, at a minimum, please print off and bring hard copies of "<a href="#">risk code definition sheets</a>" and the "<a href="#">nutrition Interview</a>" packets as well as hard copies of the common cheat sheets from our training packet <u>that your agency staff like to use</u> at their desk. <b>Please review</b> the risk code definition sheets and the nutrition interview packet prior to your training so you are familiar with them.</i></p> <p><i>For Clerks – from the packet above, at a minimum, it is helpful to have the following printed for reference: <a href="#">rights and responsibilities - detailed</a>; <a href="#">rights and responsibilities summary</a>; <a href="#">race ethnicity determination</a>; <a href="#">proof required at certification summary sheet</a>, <a href="#">income averaging template</a>; <a href="#">basic model food packages</a>; <a href="#">2020 food list</a>; <a href="#">TAP</a></i></p> <p>These, as well as additional resources are also located on our website.</p>

	<p>6. Equipment &amp; room needs for the remote training session</p>	<p><b>Zoom technology:</b> We will be using zoom technology for part of this training so trainees will need access to a computer preferably with a camera with a microphone. I would suggest ordering a camera with a microphone if there is not one on their computer. I'm hearing that they are currently hard to come by so it might be helpful to order one and have it ahead of time before you need it.</p> <p><b>Internet Access:</b> Trainees will need internet access to be able to refer to training resources located on our NE WIC public website</p> <p><b>Journey Train:</b> Trainees will need Journey Train loaded onto their computer and have their account set up prior to the training. <u>Please contact Alex with our help desk if you need Journey Train reloaded onto a computer.</u> If you are unable to get a Journey Train account set up in time for staff to complete their pre-training, you may need to walk-through the computer activities with the new trainee using your Journey Train account (but not sharing your password.)</p> <p><b>Training Location:</b> Since part of this training is done remotely, they will need a quiet room to work in without disruptions. It may be helpful to put a sign on the door so that other staff know that training is in progress to help avoid disruptions.</p>
	<p>7. Send Trainee Contact Information to the training team</p>	<p><b>Phone &amp; email:</b> Our training team will need "contact information" for the trainee. We will need the trainees <u>email address</u> to send out the Zoom invites for the training. We will also need the trainees <u>personal cell phone number</u> to contact the trainee if there are changes in the training schedule outside of regular business hours or technical issues that we need to resolve over the phone. Trainees need to have access to an <u>agency cell phone</u> for any "remote" visits that we may be doing with clients over the phone. <b>***Please send this contact information to our training team.</b></p> <p>For clerk training – send your contact info to:  <a href="mailto:Jackie.johnson@nebraska.gov">Jackie.johnson@nebraska.gov</a>  <a href="mailto:miguel.orozco@fhsi.org">miguel.orozco@fhsi.org</a>  <a href="mailto:ltinnerstet@lincoln.ne.gov">ltinnerstet@lincoln.ne.gov</a>  <a href="mailto:Tyneil.Bradford@charlesdrew.com">Tyneil.Bradford@charlesdrew.com</a>  <a href="mailto:sherrera@oneworldomaha.org">sherrera@oneworldomaha.org</a></p> <p>For CPA training – send trainee contact info to:  <a href="mailto:Jackie.johnson@nebraska.gov">Jackie.johnson@nebraska.gov</a>  <a href="mailto:agoshorn@lincoln.ne.gov">agoshorn@lincoln.ne.gov</a>  <a href="mailto:DSchmidt@familyservicelincoln.org">DSchmidt@familyservicelincoln.org</a> (note Dionna's email has changed!)</p>

<p>8. For CPAs - Gather CPA educational materials</p> <p>Send the list to our training team</p>	<p><b>Send Educational Materials:</b> So our CPA coaches have an idea of what your clinic is using, please scan and email us a copy of the top 10 educational resources that your CPA's are using to:</p> <p><a href="mailto:Jackie.johnson@nebraska.gov">Jackie.johnson@nebraska.gov</a>  <a href="mailto:agoshorn@lincoln.ne.gov">agoshorn@lincoln.ne.gov</a>  <a href="mailto:DSchmidt@familyservicelincoln.org">DSchmidt@familyservicelincoln.org</a> (note Dionna's email has changed!)</p> <p><b>Review Educational Materials:</b></p> <p>Also, please have all new CPA's review all of the educational resources that your WIC program provides and bring a hard copy with them to the training. That way when it comes to educating clients, they can use their own resources that they will be using in clinic. If the coaches have additional suggestions for other good resources available they can let the trainees know.</p>
