2025 Training Center Offerings  
and Usual Meeting Times

See the attached calendar on the following pages for training offerings we are planning for 2025:

- Please contact Jackie Johnson (402-471-0195) to see if these training dates are still available for your new staff training.
- Training Sessions close 2 weeks prior to the start of each training if we have no trainees signed up to allow coaches to be reassigned to work at their own clinics, *so do not wait until the last minute to request a training.*
- You will notice that 5 days are listed on the training offerings calendar for each training, but the training (at this time) is usually completed in 4 days. There are times, however, that a 5<sup>th</sup> day may be needed so please allow for that in their schedule if needed.
- For new staff who have a long distance to travel to the in-person training site, we usually build in a travel day following their zoom training.
- Jackie will correspond with you to finalize training days and times.

Beginning in April 2022, the Training Center returned to a hybrid training approach. Part of the training is being done *remotely over zoom* and part of the training is done *in-person*. For clerks, the in-person training is done in Lincoln, or Gering at one of our training host sites. For CPA, the in-person portion of the training is done at one of our host sites in Lincoln or in Grand Island.

The schedule below is for reference and general planning purposes – more final details will be sent prior to each training with start and stop times defined
