B. Default, Technical Assistance, and Termination.

1. If the Commission determines that a Member State has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated Rules, the Commission shall:
 - a. Provide written notice to the defaulting state and other Member States of the nature of the default, the proposed means of curing the default, and any other action to be taken by the Commission; and
 - b. Provide remedial training and specific technical assistance regarding the default.
2. If a state in default fails to cure the default, the defaulting state may be terminated from this Compact upon an affirmative vote of a majority of the Member States, and all rights, privileges, and benefits conferred by this Compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.
3. Termination of membership in this Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission to the governor, the majority and minority leaders of the defaulting State's legislature, and each of the Member States.
4. A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.
5. The Commission shall not bear any costs related to a state that is found to be in default or that has been terminated from this Compact, unless agreed upon in writing between the Commission and the defaulting state.
6. The defaulting state may appeal the action of the Commission by petitioning the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

C. Dispute Resolution.

1. Upon request by a Member State, the Commission shall attempt to resolve disputes related to this Compact that arise among Member States and between Member and non-Member States.
2. The Commission shall promulgate a Rule providing for both mediation and binding dispute resolution for disputes as appropriate.

D. Enforcement.

1. The Commission, in the reasonable exercise of its discretion, shall enforce the provisions and Rules of this Compact.
2. By majority vote, the Commission may initiate legal action in the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices against a Member State in default to enforce compliance with the provisions of this Compact and its promulgated Rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.
3. The remedies herein shall not be the exclusive remedies of the Commission. The Commission may pursue any other remedies available under federal or State law.

ARTICLE 12.

DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR OCCUPATIONAL THERAPY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT.

- A. This Compact shall come into effect on the date on which this Compact statute is enacted into law in the tenth Member State. The provisions, which become effective at that time, shall be limited to the powers granted to the Commission relating to assembly and the promulgation of Rules. Thereafter, the Commission shall meet and exercise Rulemaking powers necessary to the implementation and administration of this Compact.
- B. Any state that joins this Compact subsequent to the Commission's initial adoption of the Rules shall be subject to the Rules as they exist on the date on which this Compact becomes law in that state. Any Rule that has been previously adopted by the Commission shall have the full force and effect of law on the day this Compact becomes law in that State.
- C. Any Member State may withdraw from this Compact by enacting a statute repealing the same.
 - 1. A Member State's withdrawal shall not take effect until six months after enactment of the repealing statute.
 - 2. Withdrawal shall not affect the continuing requirement of the withdrawing state's occupational therapy licensing board to comply with the investigative and adverse action reporting requirements of this Compact prior to the effective date of withdrawal.
- D. Nothing contained in this Compact shall be construed to invalidate or prevent any occupational therapy licensure agreement or other cooperative arrangement between a Member State and a non-Member State that does not conflict with the provisions of this Compact.
- E. This Compact may be amended by the Member States. No amendment to this Compact shall become effective and binding upon any Member State until it is enacted into the laws of all Member States.

ARTICLE 13.

CONSTRUCTION AND SEVERABILITY.

This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence, or provision of this Compact is declared to be contrary to the constitution of any Member State or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any Member State, this Compact shall remain in full force and effect as to the remaining Member States and in full force and effect as to the Member State affected as to all severable matters.

ARTICLE 14.

BINDING EFFECT OF COMPACT AND OTHER LAWS.

- A. A Licensee providing occupational therapy in a Remote State under the Compact Privilege shall function within the laws and regulations of the Remote State.
- B. Nothing herein prevents the enforcement of any other law of a Member State that is not inconsistent with this Compact.
- C. Any laws in a Member State in conflict with this Compact are superseded to the extent of the conflict.
- D. Any lawful actions of the Commission, including all Rules and bylaws promulgated by the Commission, are binding upon the Member States.
- E. All agreements between the Commission and the Member States are binding in accordance with their terms.
- F. In the event any provision of this Compact exceeds the constitutional limits imposed on the legislature of any Member State, the provision shall be ineffective to the extent of the conflict with the constitutional provision in question in that Member State.
