## Erratum

In the article titled: *Evolving paradigm for imaging, diagnosis, and management of DCIS* by Colin J. Wells, MD, Cristina O'Donoghue, MD, Haydee Ojeda-Fournier, MD, Hanna E. G. Retallack, MD, Laura J. Esserman, MD, that was published in the December 2013 issue of the *JACR* (2013;10:918-923), Hanna E. G. Retallack's credentials were erroneously reported as MD. Ms Retallack is a student in an MD/PhD program, and her highest degree should have read "AB".
