38-2212. Practice of nursing by a registered nurse, defined.

(1) The practice of nursing by a registered nurse means assuming responsibility and accountability for nursing actions.

(2) Nursing actions include, but are not limited to:

- (a) Assessing human responses to actual or potential health conditions;
- (b) Establishing nursing diagnoses;
- (c) Establishing goals and outcomes to meet identified health care needs;
- (d) Establishing and maintaining a plan of care;
- (e) Prescribing nursing interventions to implement the plan of care;
- (f) Implementing the plan of care;
- (g) Teaching health care practices;
- (h) Delegating, directing, or assigning nursing interventions that may be performed by others and that do not conflict with the Nurse Practice Act;
- (i) Maintaining safe and effective nursing care rendered directly or indirectly;
- (j) Evaluating responses to interventions, including, but not limited to, performing physical and psychological assessments of patients under restraint and seclusion as required by federal law, if the registered nurse has been trained in the use of emergency safety intervention;
- (k) Teaching theory and practice of nursing;
- (l) Conducting, evaluating, and utilizing nursing research;
- (m) Administering, managing, and supervising the practice of nursing; and
- (n) Collaborating with other health professionals in the management of health care.

Annotations

- The Board of Nursing has power to deny a license upon proof applicant is guilty of unprofessional conduct, and upon review de novo district court may not substitute its own judgment on that issue. *Scott v. State ex rel. Board of Nursing*, 196 Neb. 681, 244 N.W.2d 683 (1976).

38-2215. Executive director; qualifications; practice consultant, education consultant, and nurse investigators; department; appoint.

(1) The department shall appoint an executive director who is a registered nurse currently licensed in this state and who has a graduate degree in nursing. The executive director shall have a minimum of five years' experience within the last ten years in the areas of administration, teaching, or consultation in the field of nursing. The salary of the executive director shall be fixed by the department and be competitive with salaries for similar positions of responsibility which require similar education and experience. The executive director shall not be a member of the board. The executive director shall be administrator of the Nurse Licensure Compact. As administrator, the executive director shall give notice of withdrawal to the executive heads of all other party states within thirty days after the effective date of any statute repealing the compact enacted by the Legislature pursuant to Article X of the compact. The executive director serving on December 1, 2008, may continue serving until replaced by the department pursuant to this section.

(2) The department shall appoint a practice consultant and an education consultant, each of whom is a registered nurse currently licensed in this state and has a minimum of five years' experience. On and after January 1, 1995, any person newly appointed to these positions shall also have a graduate degree in nursing. The salaries for these positions shall be fixed by the department and be competitive with salaries for similar positions of responsibility which require similar education. The nursing education consultant and nursing practice consultant shall not be members of the board.

(3) The department shall appoint one or more nurse investigators to conduct investigations of violations of the Nurse Practice Act. Each nurse investigator shall be a registered nurse currently licensed in this state and have a minimum of five years' experience in nursing practice. The nurse investigators shall not be members of the board.

38-2216. Board; rules and regulations; powers and duties; enumerated.

In addition to the duties listed in sections 38-126 and 38-161, the board shall:

- (1) Adopt reasonable and uniform standards for nursing practice and nursing education;
- (2) If requested, issue or decline to issue advisory opinions defining acts which in the opinion of the board are or are not permitted in the practice of nursing. Such opinions shall be considered informational only and are nonbinding. Practice-related information provided by the board to registered nurses or licensed practical nurses licensed under the Nurse Practice Act shall be made available by the board on request to nurses practicing in this state under a license issued by a state that is a party to the Nurse Licensure Compact;
- (3) Establish rules and regulations for approving and classifying programs preparing nurses, taking into consideration administrative and organizational patterns, the curriculum, students, student services, faculty, and instructional resources and facilities, and provide surveys for each educational program as determined by the board;
- (4) Approve educational programs which meet the requirements of the Nurse Practice Act;
- (5) Keep a record of all its proceedings and compile an annual report for distribution;
- (6) Adopt rules and regulations establishing standards for delegation of nursing activities, including training or experience requirements, competency determination, and nursing supervision;
- (7) Collect data regarding nursing;
- (8) Provide consultation and conduct conferences, forums, studies, and research on nursing practice and education;
- (9) Join organizations that develop and regulate the national nursing licensure examinations and exclusively promote the improvement of the legal standards of the practice of nursing for the protection of the public health, safety, and welfare; and
- (10) Administer the Nurse Licensure Compact. In reporting information to the coordinated licensure information system under Article VII of the compact, the department may disclose personal identifying information about a nurse, including his or her social security number.

38-2217. Nursing; license; required.

In the interest of health and morals and the safeguarding of life, any person practicing or offering to practice nursing in this state for compensation or gratuitously, except as provided in section 38-2218, shall submit satisfactory evidence as provided in the Nurse Practice Act that he or she is qualified to so practice and is licensed as provided by the act. Except as provided in section 38-2218, the practice or attempted practice of nursing, the holding out or attempted holding out of oneself as a registered nurse or a licensed practical nurse, or the use of any title, abbreviation, card, or device to indicate that such a person is practicing nursing is unlawful unless such person has been duly licensed and registered according to the provisions of the act. The practice of nursing by any such unlicensed person or by a nurse whose license has been suspended, revoked, or expired or is on inactive status is declared to be a danger to the public health and welfare.

38-2218. Nursing; practices permitted.

The Nurse Practice Act confers no authority to practice medicine or surgery. The Nurse Practice Act does not prohibit:

- (1) Home care provided by parents, foster parents, family, or friends if such person does not represent or hold himself or herself out to be a nurse or use any designation in connection with his or her name which tends to imply that he or she is licensed to practice under the act;
- (2) Home care provided for compensation or gratuitously by a parent, foster parent, family member, or friend if such person is a licensed nurse and represents or holds himself or herself out to be a nurse and uses any designation in connection with his or her name which tends to imply that he or she is licensed to practice under the act;

- (3) Christian Science nursing consistent with the theology of Christian Science provided by a Christian Science nurse who does not hold himself or herself out as a registered nurse or a licensed practical nurse;
- (4) Auxiliary patient care services provided by persons carrying out duties under the direction of a licensed practitioner;
- (5) Auxiliary patient care services provided by persons carrying out interventions for the support of nursing service as delegated by a registered nurse or as assigned and directed by a licensed practical nurse licensed under the act;
- (6) The gratuitous rendering of assistance by anyone in the case of an emergency;
- (7) Nursing by any legally licensed nurse of any other state whose engagement requires him or her to (a) accompany and care for a patient temporarily residing in this state during the period of one such engagement not to exceed six months in length, (b) transport patients into, out of, or through this state provided each transport does not exceed twenty-four hours, (c) provide patient care during periods of transition following transport, (d) provide educational programs or consultative services within this state for a period not to exceed fourteen consecutive days if neither the education nor the consultation includes the provision or the direction of patient care, and (e) provide nursing care in the case of a disaster. These exceptions do not permit a person to represent or hold himself or herself out as a nurse licensed to practice in this state;
- (8) Nursing services rendered by a student enrolled in an approved program of nursing when the services are a part of the student's course of study;
- (9) The practice of nursing by any legally licensed nurse of another state who serves in the armed forces of the United States or the United States Public Health Service or who is employed by the United States Department of Veterans Affairs or other federal agencies, if the practice is limited to that service or employment; or
- (10) The practice of nursing, if permitted by federal law, as a citizen of a foreign country temporarily residing in Nebraska for a period not to exceed one year for the purpose of postgraduate study, certified to be such by an appropriate agency satisfactory to the board.

38-2219. Health maintenance activities; authorized.

- (1) The Nurse Practice Act does not prohibit performance of health maintenance activities by a designated care aide for a competent adult at the direction of such adult or at the direction of a caretaker for a minor child or incompetent adult.
- (2) Health maintenance activities are those activities which enable the minor child or adult to live in his or her home and community. Such activities are those specialized procedures, beyond activities of daily living, which the minor child or adult is unable to perform for himself or herself and which the attending physician or registered nurse determines can be safely performed in the home and community by a designated care aide as directed by a competent adult or caretaker.
- (3) A competent adult is someone who has the capability and capacity to make an informed decision.
- (4) For purposes of this section, caretaker means a person who (a) is directly and personally involved in providing care for a minor child or incompetent adult and (b) is the parent, foster parent, family member, friend, or legal guardian of such minor child or incompetent adult.

38-2225. Nursing; temporary license; issuance; conditions; how long valid; extension.

(1) A temporary license to practice nursing may be issued to:

(a) An individual seeking to obtain licensure or reinstatement of his or her license as a registered nurse or licensed practical nurse when he or she has not practiced nursing in the last five years. A temporary license issued under this subdivision is valid only for the duration of the review course of study and only for nursing practice required for the review course of study;

(b) Graduates of approved programs of nursing who have passed the licensure examination, pending the completion of application for Nebraska licensure as a registered nurse or licensed practical nurse. A temporary license issued under this subdivision is valid for a period not to exceed sixty days;

(c) Nurses currently licensed in another state as either a registered nurse or a licensed practical nurse who have graduated from an educational program approved by the board, pending completion of application for Nebraska licensure as a registered nurse or licensed practical nurse. A temporary license issued under this subdivision shall be valid for a period not to exceed sixty days; or

(d) Military spouses as provided in section 38-129.01.

(2) A temporary license issued pursuant to subdivision (1)(a), (b), or (c) of this section may be extended by the department, with the recommendation of the board.

38-2228. Nursing; use of title; restriction.

(1) In the interest of public safety and consumer awareness, it is unlawful for any person to use the title nurse in reference to himself or herself in any capacity, except individuals who are or have been licensed as a registered nurse or a licensed practical nurse. A Christian Science nurse may refer to himself or herself only as a Christian Science nurse.

(2) The terms "nurse", "registered nurse", and "licensed practical nurse" include persons licensed as registered nurses or licensed practical nurses by a state that is a party to the Nurse Licensure Compact. Unless the context otherwise indicates or unless doing so would be inconsistent with the compact, nurses practicing in this state under a license issued by a state that is a party to the compact have the same rights and obligations as imposed by the laws of this state on licensees licensed under the Nurse Practice Act. The department has the authority to determine whether a right or obligation imposed on licensees applies to nurses practicing in this state under a license issued by a state that is a party to the compact, unless that determination is inconsistent with the compact.

38-2231. Disciplinary actions; limitations imposed by compact.

(1) In order to effectuate the transition into compact administration, the board shall require all licensees entering into or becoming subject to an order of probation or other disciplinary action that limits practice or requires monitoring to agree, as of the date of the order, not to practice in any other state which is a party to the Nurse Licensure Compact during the term of such probation or disciplinary action without prior authorization from the other party state.

(2) Any licensee subject to disciplinary action, such as revocation, suspension, probation, or any other action which affects a licensee's authorization to practice, on the effective date of entering the compact, is not entitled to a multistate license privilege while such disciplinary action is in effect unless practice in another state is authorized by this state and any other state in which the licensee wishes to practice.
