

Renewal Update as of 6/28/21:

The Governor of the State of Nebraska announced that the COVID 19 State of Emergency expires 6/30/2021 (midnight).

License types that were deferred per Executive Order 20-10 will have their expiration dates extended to 10/31/2021 and must be renewed by that date.

NOTE: If the license has already been renewed, this deferral and extension does not apply.

Within the next 30 days, the Licensure Unit will send a post card to those licensees that have not renewed, advising that they will have until 10/31/2021 to renew.

To renew go to dhhs.ne.gov/renew. After the renewal processing is complete, the license will reflect the next regularly scheduled expiration date. A wallet card can be printed to verify the renewed license at dhhs.ne.gov/lookup.
