Serious injury is defined as a death of a child or any accident or injury to a child which requires hospitalization or treatment at a medical facility.

Substantiated Child Abuse Cases are cases that have received final determination by Children and Family Services. Pending child abuse cases are not reflected in the numbers above.

NOTE: For 2016 the Licensed Family Child Care Home I column contains information for BOTH Family Child Care Home I and II. In 2017 and thereafter the information will be separate. Years reported are reflective of January 1st through December 31st.
