

This list is not to be considered comprehensive of all providers excluded from participation in the Nebraska Medicaid program; action by other federal or state entities may also result in exclusion. The providers identified herein are those that have been excluded by the Nebraska Department of Health and Human Services, Division of Medicaid & Long-Term Care. This list may or may not include providers excluded as a result of action taken by other federal or state entities. Such actions may be taken by, for example purposes only, the Nebraska Department of Health and Human Services, Division of Public Health, Health Licensure & Investigations Section, HHS-OIG LEIE, GSA/EPLS/SAM, and/or Medicare. Searching this list should be done in conjunction with searches of all appropriate databases.

In accordance with 471 NAC 2-005.02(A)(iii) Excluded Person or Entity: No clinic, group, corporation, or other association which is a provider of services shall submit claims for payment to the Department for any services or supplies provided by a person within the organization which has been excluded from participation in NMAP except for those services or supplies provided before the termination. If these provisions are violated by a clinic, group, corporation, or other association, the Department may terminate the organization and/or any individual person within the organization responsible for the violation. A provider shall not submit any claims to NMAP that contain the costs of services provided by excluded persons or entities.

In order to be considered for removal from the NMEP list and/or reactivation as a Nebraska Medicaid-enrolled provider, please complete and submit the Nebraska Medicaid NMEP Removal/Reactivation Questionnaire found at the link below.
